## **Fort Dodge Public Library Books on the Go**

Through this program, the library offers homebound services to patrons residing in the city of Fort Dodge who are unable to visit the library. Homebound is defined as being generally confined to one's residence either temporarily due to illness, accident or surgery, or permanently due to disability, age, or other mobility issues.

Homebound library service is provided at no cost to the patron.

The information provided on this form will be used to choose what types of books and other materials you receive. They will be delivered to you in a "Books On the Go" canvas bag. Items must be placed in the bag when returned to the library.

A volunteer will call to notify you of delivery times and dates.

I apply for the right to use the library and will abide by its rules. I will give prompt notice of any change of address or phone number.
